ELIGIBILITY FOR POINTS

Qualify at a Rank and/or Title in a given month to earn points

Social Marketers can earn Escape points for their Rank qualifications as of Senior Consultant and as of Bronze for their Title qualifications during the Escape 2023 qualification period.

HOW TO EARN CREDITS

Escape points are awarded based on the Social Marketer ranks and titles achieved each month during the qualification period.

1. Enrolment Boost

By enrolling a NEW Social Marketer with a sign-up order of minimum 125 points in a given month, you can earn a 50% uplift on your points for your Rank qualification. If you don't enrol a new Social Marketer, you will be awarded the original points corresponding to your Rank qualification.

2. Doubler on Rank/Title advancements

Each time you rank and/or title advance over your highest ever achieved rank and/or title during the qualification period, you'll enjoy the points earned in that month for the rank and/or title advancement doubled.

**Points will not be stacked if you advance by more than one rank/title in a given month. Meaning you will receive the doubler on the Rank/Title you qualify for during that month.*

3. Event participation

Participate at our SRC Amplify 2023 and earn 5,000 extra points! Points will be awarded with the March qualification month.

4. Consistency Boost

During the qualification period, we will count the rank and title you qualified for or the rank/title exceeded at least 4 times and award a consistency boost at the end of the qualification period. The consistency boost is then the points you would have earned in one given month at that rank and/or title. No base rank or title is taken into account.

2. The MODERE EUROPE ESCAPE 2023 business promotion is open to all Social Marketers based in one of the European countries supported by Modere Europe. Only Modere business activity generated in the European Market will contribute to the qualification criteria.
3. Each Social Marketer account is limited to one Modere Escape in a twelve months' period.
4. The 2023 Modere Escape takes place from September 14th to September 18th 2023.
5. Social Marketers must be qualified at a Rank and/or a Title to earn points during a given month.
6. To be eligible to earn 50% extra Points for the Rank qualification credits, the Social Marketer must personally enroll one new Social Marketer with a first order of 125 points.
7. Qualifiers to the Modere Escape are required to make their own travel arrangements to and from the airport in their country of residence. Qualifiers should ensure that they are in possession of the proper travel documentation prior to booking any travel arrangements. The same applies to their guests.
8. The Modere Escape Attendance includes lodging (1 room per qualified account), meals and accompanying drinks and selected activities for two.
9. Once all rooms are filled, Modere will establish a waiting list with priority based on the most Points earned.
10. Provided qualification for travel reimbursement was reached and the qualifying account attended the Modere Escape, the organiser will pay qualifying accounts a lump sum towards

their travel to the Modere Escape destination:

- 400.00€/£360.00 per qualified account or 800.00€/£720.00 depending on reward level achieved.

Payment of the lump sum will be made to the bank account recorded in the Modere database for the qualifying account. Modere will arrange transfers from the airport of Palermo to the hotel and from the hotel to Palermo airport.

11. The Modere Escape is non-transferable. Points may not be transferred to or combined with other Social Marketer accounts. At least one of the attendees of the Modere Escape must be a member of the qualified account. The other attendee is at the discretion of the qualified account, must be aged 18 or over and must attend all elements of the Modere Escape. A non-qualified guest cannot attend if the qualified member cancels its participation.
12. Participation must be confirmed by August 11th. Any qualified Social Marketer that does not register by this date will forfeit their accommodation regardless of their registration status.
13. Any misuse or gaming of qualifications, for example through the creation of multiple member accounts for the same person, will lead to disqualification and the Social Marketer account will forfeit all points and be ineligible to participate at the Modere Escape 2023.
14. Participation in the Modere Escape is limited. Qualifying accounts that reach the highest number of points will be given priority status to attend. A cash prize will be awarded to any qualifying account that could not attend the Modere Escape due to Modere's restriction of participants.
15. Qualifiers will be contacted by the organiser's staff to discuss the reward details and be advised of the redemption process.
16. All qualifiers must confirm their participation in the Modere Escape with the organiser. If a Social Marketer is unable to attend the current Modere Escape for circumstances beyond his or her control, they must notify Modere in writing.
17. The rewards must be redeemed during the designated Modere Escape dates. No alternative prize or cash equivalent will be awarded if a qualifier declines to participate for any reason, is unable or fails to attend for any reason after confirming their participation.
18. The organiser reserves the right to invite individuals and Social Marketers at its discretion; this attendance is by invitation only.
19. The qualifiers will be recognised in Modere Europe media. The confirmation of participation in the reward by the qualifier (and their guest) constitutes permission for the organiser to use the qualifier's name, pictures, voice and stories in the Modere Memo, on the Modere Websites, Blog and other media used by Modere to promote its business.
