FREQUENTLY ASKED QUESTIONS (FAQ):

Are the bonuses stackable?

No, if you achieved Director 2 with 32 qualified SMs in your team, you would earn only 800€ and not the payout for 16 or 8 in your team.

When will this be paid out?

These bonuses will be paid out with your regular commission payment under the 'Commission Adjustment' section of your statement in the bonus month you are eligible and qualified for the bonus.

I joined Modere on March 1, 2023, am I eligible?

This promotion is open to all Social Marketers with a Modere account based in Europe and building their team organisations in Europe.

How is a team defined?

A team is defined as the first 5 actual levels in your placement structure and no compression will apply. Nodes labelled as PRIVATE will be skipped and not counted as a level.

I am a Director 1 with 5 in my team, do I earn the lower bonus for SC to STL?

No. Your Paid Title determines what bonus payouts you are eligible for. In this case the Director group requires at least 8 in your team to be qualified for the first available payout.

Are the Team and Personal Count numbers cumulative over the 3 months of the promotion?

No. Each target is based on the individual bonus month and qualifications that must be met that month. A Social Marketer is eligible to earn a bonus in each of the three months.
